

Friday Round Up

This email has been sent to all Clergy, PTOs, Churchwardens, Secretaries, and all those on our Friday email list.

For Your Prayers

Dear Friends,

Please remember Bishop Charles in your prayers over the coming weeks. He was diagnosed with a thyroid problem in August and is having a procedure done in hospital next Tuesday to try and clear it. He will then be off work and recuperating at home for about a month. He is in good heart but would welcome your prayers for him and for The Highveld at this time.

#GoodNewsWorthSharing

St John's Knit & Natter Group -
Rogerstone Newport
Benefice of Bassaleg

We have been knitting crib covers, blankets, hats and teddy bears for the Royal Gwent Hospital, Newport, for their premature and full -term babies.

They are very grateful, as they say, if they run out of hats, which they put on every baby to reduce heat loss, they would have to go out and buy them. They can have up to twelve births a day so that could mean three hundred and sixty babies a month!

We were asked if we could make some Christmas hats, as they dress every baby born at Christmas in a nice babygrow and hat. We looked for some patterns and are now knitting festive hats e.g. Christmas Trees, Santa Hats and Christmas puddings.

The photograph shows our third lot of knitting ready to go to the hospital - hats, crib covers, blankets, cardigans and teddy bears. This was taken at our last meeting before lockdown on the 18th March 2020.

Our needles have been busy during lockdown and we now have another three hundred and fifty hats, six teddy bears and some crib covers ready. This will be our fourth lot of knitting for them. The hospital also wondered if we could make two shawls for for them in readiness for their move to the new Grange Hospital. These will be given to the first baby girl and boy born there. These are being done as this is being written, and we nearly have enough Christmas hats made as well. Although we can't have our meetings for the foreseeable future, we will continue knitting to keep the hospital stocked up with knitted items.

On behalf of the members of the group.

ATHROFA PADARN SANT
ST PADARN'S INSTITUTE

St Padarn's are pleased to share that there will be a Christmas Webinar Series in November to help us prepare for the upcoming Christmas season.

The first webinar of the series will be on the **9th November** at **2pm** and is called '**Christmas in your community: bringing comfort and joy**'. Sandra Millar is back with us and she will share creative and practical ideas about how to make Christmas memorable in and beyond the church, with a focus on the possible, looking at how social media, digital, domestic and church spaces can work together.

The second part of this series will be on the **16th November** at **2pm** and is called '**Christmas Reimagined**'. As churches right across Wales are having to re-imagine what their traditional Christmas services and ministry will look like this year, we will be looking to share many more practical ideas to encourage and inspire us as we prepare for this very special season.

You can register for your place as well as view any previous webinars you may have missed (including handouts) at: <https://www.stpadarns.ac.uk/en/ministry/ministerial-support-hub/digital-ministry-webinars/>.
